The Kriya Advantage

Kriya in Sanskrit means **'Action with Mindfulness'**. We believe that for future proofing organizations, mindful actions are critical. Whilst there is massive disruption across industries and changing workforce dynamics, we think it's important to **reimagine the future and act at pace**.

Meet the Team

BOARD OF ADVISORS

Richard is the former Chief Executive Officer of KPMG in India. Richard is presently a Board Member of KPMG Dubai. He is a member of All India Management Association (AIMA) Board of Governors of the Management and Entrepreneurship and Professional Skills Council (MEPSC).

Rostow is the former MD & CEO of Mindtree, a billion-dollar global technology enterprise. He was also on the Executive Council of NASSCOM and was named a top CFO in India, four years in a row.
